

## Volunteer Opportunity

NOTICE: The Chapter has an opportunity to receive Financial assistance for Chapter promotion through ISACA Headquarters' 2005 Marketing Assistance Program. We must submit a marketing plan by November 15, 2004 to be eligible. In order to do this however, we need a volunteer to take on the task of putting the plan together. If you are interested in serving the Chapter in this way, please notify KY Chapter President, Debbie Shelton at (502)-627-4614 or [debbie.shelton@lgeenergy.com](mailto:debbie.shelton@lgeenergy.com)). Without a volunteer, however, the Chapter will be responsible for fully funding all of our promotional initiatives for Chapter meetings, seminars, and CISA review courses. Thank you.

## **ISACA Lunch Meeting**

Please note that there will be **NO ISACA meeting** this month. Instead, we are encouraging members to check out the Louisville Metro InfoSec Conference. The Kentuckiana Chapter of ISACA has purchased a corporate sponsorship for this event. We elected to purchase this sponsorship as the attendees are likely potential new members. We encourage members of the chapter to attend and enjoy this event. For more information on this conference, please check out their web site [here](#).

For more information, please contact Melissa Perry at this email address: [Melissa.Perry@kindredhealthcare.com](mailto:Melissa.Perry@kindredhealthcare.com).

## **Job Opportunity Highlights**

### Humana

Humana is looking for an IT Audit Consultant with a bachelor's degree in related field (I/T, Finance, Accounting, etc.), MBA preferred. Completion of CPA, PMP, CIA, or CISSP, CISM, or CISA highly desired. Minimum three years auditing and two years IT Audit. Humana will consider candidates with less auditing experience who have broad technical expertise. Broad IT experience supplemented with expert knowledge of multiple environments.

For more opportunities, please visit the Kentuckiana Chapter Career Opportunities website, [here](#).

## **PRESIDENT'S MESSAGE**

**From the desk of Debbie Shelton**

Hello everyone,

It was great to see so many of you at our Chapter meeting on September 28. Our special thanks go out to Keith Fowler, Manager of IT Security for LG&E Energy for his presentation on Perimeter Security. We appreciate your sharing this information, Keith. And thanks go out to CISA Coordinator, Lisa Buckner, as well, for lining Keith up to speak.

Our approach to meetings for the remainder of the year will be somewhat different. In October, there will be no regular meeting. Melissa Perry has worked with the folks at InfoSec and our Chapter is now a sponsor to this event. Please see additional information in this newsletter if you would like to participate.

Due to the holidays our meetings for the months of November and December will be held in conjunction with the Kentuckiana Chapter of the Institute of Internal Auditors (IIA). These meetings will be held on the second Tuesday of the month at the Bristol on Main Street. Copies of the IIA Newsletter with topic and menu information will be forwards as received. Please be sure to thank Heather DiEnno, President, for welcoming us to participate along with them.

The Chapter Board was voted in as presented. Please see below for a list of Officers and please feel free to contact any Board member if you have any questions or suggestions for chapter improvement. In addition, several opportunities for you to get involved are still available. In particular, the chapter could use a marketing plan (for a grant from International Headquarters), our By-Laws could stand a review, and we should look into whether or not the chapter should be incorporated. Contact me if you are interested.

We will continue to communicate through Newsletters and our Chapter [website](#). Please check it out regularly for new chapter information.

We are constantly looking for new members. Please refer prospects to one of our Board members so we can get them on the mailing list.

We look forward to seeing you in the coming weeks.

Best regards,

Debbie Shelton

## *Kentuckiana Chapter Officers\*\**

Chapter Position	Name of Officer
President	<a href="#">Debbie Shelton</a>
