President's Message

Greetings,

Our thanks go out to Nick Edmonds for his insightful presentation regarding his experiences with *Auditing PeopleSoft Enterprise, Enterprise One and World*. This month, Dave Barker and Bruce Edwards will present *Wireless 101*. We'll meet at Vincenzo's on February 22 at 11:30.

Lisa Buckner has been hard at work putting together our 2005 CISA Review course. The Chapter will once again host a weekend blitz with Trony Clifton. This is a great way to prepare for the exam. In addition, the Chapter sponsorship provides this service as an opportunity for inexpensive CPE credits to brush up on your IT auditing skills. See below for more details.

Mike Howell has volunteered to head up the task to revise our Chapter By-Laws. If anyone else would care to assist, please let me know.

The Chapter is currently conducting its search for 2005-2006 Chapter Officers. Attached below is information regarding roles and responsibilities for those positions. In the past, we've been flexible to combine or divide up responsibilities, as necessary. Please consider volunteering to serve the Chapter. If you are unable to serve as an Officer or Chairperson, would you consider being a meeting presenter, or taking responsibility for recruiting a presenter or assisting with coordination of a seminar? There are many ways to participate. We'd like to hear your ideas.

Please contact me by March 4 if you would like to run for office or any time if you have any questions. We are constantly looking for new members. Please refer prospects to one of our Board members so we can get them on the mailing list.

We look forward to seeing you on the 22th.

Best regards,

Debbie Shelton

Bruce Edwards

Bio information will be provided at the meeting but was not available at the time of this writing.

PayPal is a quick and simple way to pay for monthly IIA meetings. From the chapter web site (<http://www.isauditor.net/isaca/index.htm>), go to the meeting and seminar schedule page. Click the “pay now” button for the meeting you wish to pay for. If you already have a "PayPal" account, simply verify the amount, enter your log-in and password. *If you don't already have a "PayPal" account*, you will need to fill in the information for new members (similar to other e-commerce web sites such as Amazon). Once you have completed the transaction, you will be sent an e-mail receipt by PayPal and be returned to the Louisville IIA web site. The local chapter also receives an e-mail that tells us you have paid. You will **still need to contact Carrie Ramsey** with your menu choice. All information is exchanged via HTTPS protocol (secure and encrypted) and remains with PayPal.
