PRESIDENT'S MESSAGE

FROM THE DESK OF MICHAEL VINCENT

Kentuckiana ISACA Chapter members and Guests,

We had an excellent meeting on Ethical hacking presented by Mitch Greenfield from Humana. The KY ISACA Chapter would like to thank Mitch for his excellent and interesting presentation. We would also like to thank Mountjoy & Bressler for hosting our event and our own Kelley Miller for setting up the logistics.

[Continued on Page 2](#)

PRESIDENT'S MESSAGE (CONTINUED)

This month we have another exciting presentation from Strothman and Company. Please see specifics on the topic and speakers on the next page. We hope to see you there!

Next month (December) there will be no meeting or newsletter.

Metrics

Here is an update on our goals:

- Membership growth to 200 members (**Currently 190**)
- Membership initiative involving University of Louisville, University of Kentucky, and Bellarmine
- 1 Training Seminar (**Under Development**)
- Development of Diversity Program (**Under Development**)
- CISA Course review (**Working with Sullivan University**)
- CISM Course review (**Working with Sullivan University**)
- Retool our excellent web site to be an award winning ISACA site (**Beta Site Completed**)
- 6 Monthly meetings
- 6 Board Meetings
- Joint meeting with IIA (**Planned for February 2009**)
- Joint meeting with PMI
- Update Annual Plan based on Survey Results (**Updated**)

Your KY ISACA President,
Michael Vincent

Auditing Your Local Area Network

Speaker: Bob Boyle / Brian Jackson

Overview:

This presentation will focus on the critical elements needed when reviewing a Local Area Network (LAN) This will include reviewing network architecture, firewalls, external access points and management policies and procedures along with a number of other important issues to help you protect and audit your organization's network infrastructure.

Bio:

Robert M. Boyle, CISA, CISSP, CCP - Bob is a Partner with Strothman Technology Solutions, a division of Strothman & Company CPAs. He has been involved in auditing systems and networks for over 35 years.

Brian Jackson, CISA, MCSE, CCNA - Brian is a Technology Manager for Strothman Technology Solutions and has over 10 years experience implementing networks for banks and manufacturing companies. He has performed reviews of numerous networks environments and has designed controls to protect systems from internal and external threats.

Strothman Introduction:

Strothman Technology Solutions is a full service technology firm providing consulting services to assist clients with difficult technology issues.

We are a Certified Microsoft Partner focusing on infrastructure and security of systems. Services include SAS 70 Reviews, FFIEC Reviews for Banks, general security consulting, hardware and software selection and implementation, Internal IT Audit support, along with a variety of related services.

ATTENTION:

If you RSVP for a meeting but do not attend, you are still responsible for reimbursing the Chapter for the meal.

Riebeeck Associates is excited to present:

A Free CISA Exam Refresher Webinar

DESCRIPTION:

This class is designed to help CISA candidates refresh those key aspects of the CISA exam that will help them pass. Review those last minute questions and clarify last minute doubts.

CISA Exam - Refresher Class Agenda:

1. CISA questions and how to decipher ambiguity
2. 100 questions and answers that can make the difference between success and failure in the exam
3. Tips and hints for the examination day

Instructor: JAY RANADE

Best selling IT author and IT Risk Management leader with proven track record of teaching highly successful CISA, CISM and CISSP certification classes globally.

DETAILS:

Two identical sessions of this class will be offered. Please register just for one:

Register for Session 1: Tuesday November 18, 2008 9:00PM to 12:00 AM EST

Register for Session 2: Thursday November 20, 2008 9:00AM to 12:00 PM EST

After registering you will receive a confirmation email containing information about joining the Webinar.

Welcome New Members!

Please join us in welcoming a new member to the Kentuckiana Chapter of ISACA. (as of 11/4/2008)

- Ann Robin Riley (KY Dept. of Education)

The deadline for submitting CGEIT grandfathering applications has been extended to December 31st 2008.

ISACA's IT Governance Certification

The certification process has been specifically developed for professionals who have a significant management, advisory, or assurance role relating to the governance of IT. The certification promotes the advancement of professionals who wish to be recognized for their IT governance-related experience and knowledge.

Help us Recruit New Members!

ISACA Member-Get-A-Member Campaign

A special web site has been created that will generate emails on your behalf inviting prospective members to explore the value of membership and view a three-minute video. Use of this specially constructed email invitation web site is important to ensure you receive full credit for each new member you recruit.

Grand Prize (US\$ 1,000)—Awarded to the member who recruits the highest number of full-dues* paying new members;

Second Prize: (US\$ 500)—Awarded to the member who recruits the second highest number of full-dues* paying new members; and

Random Drawing (US\$ 500)—One randomly-selected winner will be chosen. Each member will receive one entry in the drawing for each full-dues*paying new member recruited.

Next Exam: December 13th 2008

The Certified Information Systems Auditor (CISA) is ISACA's cornerstone certification. The CISA certification has been earned by more than 55,000 professionals since inception and is for the IS audit, control, assurance and/or security professionals who wish to set themselves apart from their peers. Since 1978, the CISA certification has been renowned as the globally recognized achievement for those who control, monitor and assess an organization's information technology and business systems. [Learn More about Certification](#)

Next Exam: December 13th 2008

The Certified Information Security Manager (CISM) certification is a unique management focused certification that has been earned by over 7,000 professionals since its introduction in 2003. Unlike other security certifications, CISM is for the individual who manages, designs, oversees and assesses an enterprise's information security program. CISM defines the core competencies and international performance standards that those who have information security management responsibilities must master. [Learn More about Certification](#)

PayPal is a quick and simple way to pay for monthly ISACA meetings. From the chapter web site ([go to the meeting and seminar schedule page](#)). Click the "pay now" button for the meeting you wish to pay for. If you already have a "PayPal" account, simply verify the amount; enter your log-in and password. If you don't, creating an account is easy!

Once you have completed the transaction, you will be sent an e-mail receipt by PayPal and be returned to the Kentucky ISACA web site. The local chapter also receives an e-mail that tells us you have paid.

All information is exchanged via HTTPS protocol (secure and encrypted) and remains with PayPal.

Next Chapter Meeting: 11/21/2008
(RSVP to kyisaca@isauditor.net)

IIA Calendar of Events
